

Why "Hope Reformed"?

Why Hope? - Hope Reformed Christian School has been established in response to God's covenant promises to our children at baptism. Every baptized child is called to, and therefore must be readied for, full-time kingdom service of obeying the Lord in every aspect of life, with heart, head and hands! Parents have vowed to fulfill this obligation for their children, and Hope RCS exists to assist parents in this awesome and serious task!

Why a Reformed Education? - Reformed education seeks to glorify God. It does this in conjunction with the home and the church. By leading students to the Scriptures, it shows them what is foundational, and it spurs them on to continue to study for themselves, knowing that the Holy Spirit brings faith and enlightenment through and with the Bible. Reformed education confronts students with their need for the saving work of Jesus Christ. The students will be made aware that the answers to life's questions are to be first sought in the scripture which "... is given by inspiration of God and is profitable for reproof, for doctrine, for correction, for instruction in righteousness, that the man of God may be complete for every good work." 2 Timothy 3:16-17 NKJV. That means the goal of Christian education is not only to open scripture in the hope that God gives and builds faith, but that the student may be made ready to strive for piety in their own lives and thinking in order to be equipped as ambassadors for Christ in any area to which God may call them.

Hope Reformed Christian School

*"Telling to the generation to come
the praises of the Lord, and His
strength and His wonderful works
that He has done....that they may
set their hope in God, and not forget
the works of God, but keep His
commandments."*

Psalms 78:4b, 7

hope

Mission Statement

Together with the covenant community of church and home, we are committed to providing a Christ-centered, reformed education to children from Kindergarten through Grade 12 that will nurture and develop their God-given gifts, character and Biblical faith for His glory and God's kingdom.

Extra-Curricular

The elementary and secondary students are able to interact with each other in many positive ways. The high school students run Student Leadership teams for intramurals, school activities, yearbook, hot lunches, tuck shop, and fundraising. Elementary students can also participate in Chess Club, local Legion contests, cross-country meets, speech competitions, and a district track and field day with other regional schools. Grade 7/8 and high school students regularly participate in sports tournaments and athletics with other Christian schools in Ontario.

Special Education

Hope RCS has a Special Education Resource Teacher that works closely with classroom teachers and Educational Assistants throughout the elementary school for students with exceptional learning needs.

Curriculum

The elementary teachers of Hope RCS are professionally trained, Reformed educators and implement biblical faith and worldview throughout their teaching. Solid Christian curriculum lays an important foundation in the education of our covenant youth. Every effort is made to provide the very best. Staff and parents join together on the Curriculum Committee to thoroughly review curriculum in all subject areas.

Learn

Staff

While curriculum is important, we acknowledge that Christian teachers are at the heart of delivering this program to the students. Our teachers are therefore committed to the Reformed faith and to Christian education as well as professionally qualified for their task.

Facilities

Our school is situated on over 6 acres of property just west of the town of St. George and our classrooms are equipped with modern amenities. We offer busing to and from the school in the majority of surrounding cities.

"Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him and He shall direct your path." Proverbs 3:5-6
